807 West 1st Street, Webb City, MO 64870

Dear Chaperones,

You have indicated that you would like to be a chaperone on our Branson Trip, Saturday April 19th, 2008. Due to minimal space on the bus, some Chaperones will need to drive and others will need to ride the bus. I will circle what you will be doing at the bottom of this page. If this does not work out, please let me know and I will see what other options we can come up with.

As a chaperone it is important for you to realize that this is not a “fun” day for you. I am trusting that you understand this. We have had some chaperones in the past neglect their responsibilities on this trip. It is also a school trip, so some rules do apply. One particular rule that has been abused by parents is smoking. The students cannot use tobacco and neither can chaperones. I am very sorry if this is a problem. IF, and only if, you MUST use tobacco, I would ask that you find an area with NO students. I don't want to see it, smell it, or have the kids exposed to it. Thank you for your understanding in this matter.

You may be asked to help take roll at various times throughout the day. Those who will be helping with roll will be given a file folder on the morning of the trip with a roll sheet in it. All other chaperones will be supervising and herding kids from one place to another. If you see a student acting dumb, please help curb this activity! We are representing Webb City! Lets act classy.

Thank you for your help during this event. It would not be possible without you! If you have any questions or concerns, please let me know.
